

FLOWGARDEN

GROW · FLOW · THRIVE

A living ecosystem
where growth is effortless,
connected and abundant.

NATURE

Rooted in regenerative ecosystems and biological principles.

FLOW

Energy, information, and value move without friction.

TECHNOLOGY

Infrastructure that disappears so what matters can grow.

HARMONY

Designed integration between systems, communities, and place.

GROWTH

Compounding outcomes through patient, intentional building.

LOGO SYSTEM

PRIMARY MARK

The signature element of the brand.
Use as an icon, monogram, or anchor.

FULL LOCKUP

Use the full lockup for first-impression
contexts: headers, packaging, decks.

CLEARSPACE

Minimum clearspace = 1/4 of the
mark's diameter on all sides.

DO

- Use the mark in approved brand colors only
- Maintain minimum clearspace at all times
- Place on backgrounds with sufficient contrast
- Scale proportionally — never stretch or squash
- Use the lockup when first-time introducing the brand

DON'T

- Recolor the mark outside the approved palette
- Add effects (drop shadows, glows, outlines)
- Rotate or skew the mark or lockup
- Crop or overlap the mark with other elements
- Use the mark on busy or low-contrast photography

Everything flows.
Everything grows.
Everything connects.
